Reschedules

Beginning April 1, 2009, candidates requesting to reschedule their CSCP® testing appointment will now be required to pay a \$50 administrative fee at the time the exam is rescheduled. Candidates must reschedule their exam appointment by going to the Pearson VUE Web site, <http://www.pearsonvue.com/nscp/>, or contacting the toll-free number, 888.269.2219. This reschedule transaction must be completed at least one (1) business day prior to the candidates scheduled appointment.

Cancellations

Candidates must cancel their exam appointment by going to the Pearson VUE Web site, <http://www.pearsonvue.com/nscp/>, or contacting the toll-free number, 888.269.2219.
