

# INHERIT INVITATION

## FUTURE SCENARIO EXPERT WORKSHOP

Date: May 11, 2017, 10:00 – 16:00

Location: Solution Space, Am Hof 20 - 26, Cologne, Germany

It is our pleasure to invite you to the Expert Workshop “Creating the Future Scenarios for the Inter-sectoral Health and Environment Research for Innovation (INHERIT) project”.

### The objectives of this pan-European high-level event are to:

- Bring together a wide array of stakeholders and experts to build dialogue regarding the drivers, trends and promising practices currently shaping the health and sustainability landscapes in Europe;
- Introduce the project’s findings and outcomes of inter-sector practices creating a triple win (health, environment and health equity) and discuss ways to scale them up across Europe; and,
- Lay the foundation of the future scenarios for healthy and sustainable lifestyles in Europe by 2040, which will be developed for the project.

## Agenda

09:00	Registration	
10:00	Welcome address	Introduction to the INHERIT project by Ms. Caroline Costongs, Managing Director EuroHealthNet
10:30	Introduction	Round of introduction of participants
